

## **Mentoring Agreement Form** (for both mentor and mentee)

**Mentor:**

I, \_\_\_\_\_, agree to voluntarily mentor learners that fall between the ages of \_\_\_\_ - \_\_\_\_ in my area of expertise, \_\_\_\_\_. I understand that I must be fingerprinted and await the results of a background check before I may begin seeing students. I am aware that although not necessary, I may choose to mentor more than one student if my time allows. I will maintain proper decorum at all times, realizing that I am a role model for the youth. I will be open and honest, but always respectful in the way I constructively critique the progress. Should there be any questions regarding learner behavior or other relationship issues, I will reach out to the appropriate contact person to discuss options. If I choose to withdraw from this mentoring position for any reason, I will provide fair notice to the mentee, and alert Gayle Roege of my intent.

**Mentee:**

I, \_\_\_\_\_, agree to enter into a mentor relationship in order to develop my talent in the area of \_\_\_\_\_. I will be open and honest, but always respectful of my mentor. I recognize that he/she is doing this voluntarily because they are passionate about passing along their experience and expertise in our shared area of interest. Therefore, I will not take this opportunity for granted. Should I ever feel uncomfortable with the progress I am making, or how the mentorship is working, I will reach out to the appropriate contact person to discuss options. If I choose to withdraw from this mentorship for any reason, I will provide fair notice to my mentor, and alert the appropriate contact person of my intent.
